Assignments

Stat 154/254: Statistical Machine Learning

Homework assignments

Please submit all assignments as a pdf on Gradescope.

- Assignment 0 (review). Due Sunday September 6th (9pm)
- Assignment 1. Due Sunday September 27th (9pm)
- Assignment 2. Due Sunday October 11th (9pm)

Partial solutions may be provided on BCourses after the homework is due. Note that, when solutions are provided, they are guides for knowing whether you got the answer wrong or not, but not necessarily complete solutions. Specifically, the provided solutions may have less exposition and justification than would be expected in a quiz.
